## 39TH KOREAN LANGUAGE COURSE CEREMONY

From May 12 to 15, 2025, the Korean Education Center in Ho Chi Minh City held completion ceremonies for the 39th Korean language course. The ceremonies were conducted by class and celebrated the dedication and successful completion of students who participated faithfully throughout the course. The 39th course offered Korean language classes at various levels, from beginner to advanced. Dozens of enthusiastic learners took part, demonstrating a strong commitment to their studies.

The classes featured a balanced curriculum focused on practical expressions, grammar, and speaking practice, enabling students to systematically improve their Korean skills. During the ceremony, instructors personally presented certificates and encouraged the students for their hard work. Students also shared brief remarks, reflecting on their learning experience together. The Korean Education Center in Ho Chi Minh City will continue to offer ongoing educational opportunities and plans to introduce more diverse programs to help more learners engage with the Korean language and culture.

## International Language Graduate School Info Session

On Wednesday, May 21, 2025, an online information session about the International Graduate School of Language was successfully held. This event provided prospective graduate students with a valuable opportunity to deepen their understanding of the school.

The session covered comprehensive details about the school's history, curriculum, tuition fees, and scholarship programs. Participants also engaged in a live Q&A, allowing them to clarify their questions and gather essential information for their graduate school applications.

The Korean Education Center in Ho Chi Minh City plans to continue offering useful career guidance and develop diverse programs through cooperation with related institutions to support learners' future paths.

## "First Step Towards Your Dream" 7th Ceremony

On May 26, the 7th Study Abroad Preparation Class celebrated its completion in a warm and heartfelt ceremony. This event marked both the end of the students' learning journey and a meaningful first step toward their future study abroad goals. The course provided practical language skills and essential knowledge to help students confidently adapt to new environments. Thanks to the dedicated guidance of their instructor and the students' consistent efforts, the program was a great success. All participants are encouraged to continue pursuing their dreams with strong support from the Korean Education Center in Ho Chi Minh City.

## Multicultural City Delegation Overseas Meeting

May 29, a delegation of officials from the National Multicultural City Council visited the Korean Education Center in Ho Chi Minh City. The visit aimed to strengthen practical skills for promoting exchange and cooperation among multicultural cities. The delegation reviewed the Center's various programs and operations.

The Korean Education Center will continue to actively participate in collaborative projects to support multicultural integration and international exchange.

## NIIED and TOPIK iBT Meeting

May 23, representatives from the National Institute for International Education visited the Korean Education Center in Ho Chi Minh City. The meeting focused on the TOPIK iBT (Internet-Based Test), where participants exchanged views on the latest trends in education and test administration strategies.

## Incheon K-Culture Delegation Meeting

Furthermore, on May 27, the K-Culture Delegation from the Incheon Metropolitan Office of Education visited the Korean Education Center in Ho Chi Minh City. During the visit, both parties held discussions on various programs to be jointly conducted. The two organizations plan to collaborate further to provide students with more cultural experience opportunities.

## Education Meeting: Korean Consulate, Ho Chi Minh Education Dept., and Korean Education Center

Moreover, on May 29, the Korean Consulate in Ho Chi Minh City, the Ho Chi Minh City Department of Education, and the Korean Education Center held an in-depth meeting to review current Korea-Vietnam educational exchanges and discuss future cooperation.

The meeting reaffirmed the long-standing collaboration between the two countries since establishing diplomatic ties in 1992, focusing on enhancing educational exchange as part of their comprehensive strategic partnership. Both sides agreed to strengthen cooperation to expand cultural and educational programs.

The Korean Education Center will continue working closely with the Consulate and Education Department to offer diverse educational opportunities. This meeting marked an important milestone for the future of Korea-Vietnam education cooperation.
