## I-SCREAM Visit Support

On June 4, 2025, the Korean Education Center in Ho Chi Minh City accompanied and supported representatives from Vietnamese educational publishing houses on their visit to I-SCREAM MEDIA in Korea. This visit was organized to facilitate the exchange of ideas between educational content developers in both countries and to share insights on digital education transformation and textbook development strategies.

### Exploring Smart Education

I-SCREAM MEDIA is a leading Korean educational content provider, pioneering smart learning solutions through advanced technology. During the visit, Vietnamese education officials had the opportunity to observe the content production process firsthand and explore the latest trends and applications in educational technology.

### Kr-Vn Education: A New Chapter

The meeting featured in-depth discussions on key topics such as textbook and e-textbook development policies, AI-based teaching and learning solutions, and strategies for utilizing next-generation educational content. This exchange served as a meaningful step for Korea and Vietnam to explore shared directions in the era of digital education and to lay the groundwork for sustainable collaboration.

## Gimpo University Visit Spurs Korea–Vietnam Collaboration

June 2nd, 2025, the Korean Education Center in Ho Chi Minh City accompanied representatives from Vietnamese educational publishers on a visit to Gimpo University and Yangkok Elementary School. At Gimpo University, various models applicable to the Vietnamese education sector were shared, including hands-on training programs incorporating advanced technology, international cooperation initiatives, and modern campus operations. Participants showed great interest in the university's educational programs, particularly those developed in collaboration with the local community.

## Yangkok Elementary School

At Yangkok Elementary School, the two sides exchanged ideas on integrated teaching methods that combine technology, creative learning activities, and the development of eco-friendly, student-centered school environments. This site visit went beyond a simple tour—it served as a meaningful opportunity to explore the potential for expanding practical educational cooperation between Korea and Vietnam. The Korean Education Center in Ho Chi Minh City will continue to seek sustainable cooperation models rooted in real-world educational settings and remain committed to promoting exchange for the advancement of both countries' education systems.

## MEETING WITH ULIS

On June 6, the Korean Education Center in Ho Chi Minh City held a practical working-level meeting with the University of Languages and International Studies (ULIS) under Vietnam National University, Hanoi.

The discussion focused on evaluating the achievements of the past year and establishing concrete action plans for future collaboration. Key topics included:

- A joint workshop in celebration of Hangul Day
- Expanding Korean language teacher training programs
- Supporting Korean language education in Cambodia, including plans for online training

This meeting served as a meaningful milestone in advancing the professionalism and sustainability of Korean language education across both Vietnam and Cambodia.

## 41ST KOREAN CLASS BEGINS

From February 6 to July 6, 2025, the Korean Education Center in Ho Chi Minh City successfully launched its 41st term of free offline Korean language classes. This term offers a range of classes from beginner to intermediate levels, providing valuable opportunities for local Vietnamese learners eager to study Korean. As part of a public education initiative to promote the Korean language and culture, the program is completely free of charge. Students receive full support from the Center, including textbooks and all course materials.

The Center stated that “the primary goal of this program is to engage more closely with the Vietnamese student community and to spark greater interest and understanding of the Korean language and culture.” The students currently enrolled have shown remarkable enthusiasm, and the Center hopes this term will be a meaningful and enjoyable learning journey for all.

# K-DANCE 6 FINALE!

## K-DANCE CLASS 6

On June 10, the K-Dance 6th term at the Korean Education Center in Ho Chi Minh City came to a passionate and lively close. Over the past weeks, students experienced Korean culture firsthand through K-pop dance, filling the classroom with energy and rhythm. It was a meaningful journey where they not only learned choreography, but also built confidence, teamwork, and even improved their Korean expression.

## CLASS 40, COMPLETED!

From May 28 to 30, 2025, the graduation ceremony for Class 40 of the Korean language program was held both offline and online. The ceremony marked a meaningful moment to reflect on the hard work and dedication shown by all the students throughout the term. The Korean Education Center in Ho Chi Minh City is truly grateful for the journey shared with this cohort, and looks forward to welcoming even more learners in the upcoming class.

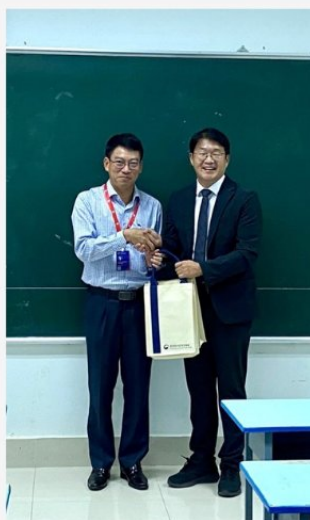

# NEW BEGINNINGS IN NHA TRANG

## Opening Doors to Korean at Thai Binh University

On June 12, 2025, Thai Binh University held a warm and dignified opening ceremony for its free Korean language program. In partnership with the Korean Education Center in Ho Chi Minh City, the university has launched three beginner-level classes, offering Korean language education to individuals, schools, organizations, and businesses across Khanh Hoa Province.

The program was launched as part of a joint initiative between the two institutions, offering local learners greater access to Korean language and culture. It is hoped that this course will serve as a valuable stepping stone for participants to further develop their Korean language skills.

## Summer Break with Korean! Special Korean Language Courses

On June 16, the Korean Education Center in Ho Chi Minh City hosted the opening ceremony for its Korean language and culture summer program.

This special after-school course is designed for middle and high school students across the city, with many participants coming from schools currently offering Korean language classes for the 2024-2025 academic year. More than just a language course, the program offers students a fun and immersive opportunity to experience Korean culture firsthand. The Center hopes this unique summer experience will help students enjoy a more enriching and meaningful vacation.
